

[Musical Theatre Series 1 - Preliminary](#)

**\$16.95**  
**incl. %s GST**

□

AMEB has recorded piano accompaniments of all accompanied repertoire in the Series 1 Musical Theatre grade book publications. These recordings provide a helpful practice tool and may also be used in AMEB examinations. The Recorded Accompaniments can be purchased as CDs or as individual downloads from digital music outlets like iTunes. Recordings can be used in conjunction with AMEB's practice app, MyTempo that lets you speed up, slow down and loop your accompaniment track on your device.
