□

Maxwell Eckstein arranged and edited this delightful book with the beginning pianist in mind. This collection of 74 well known songs is a great tool for the beginner to learn sight-reading or as a source of enjoyment for the adult recreational pianist. Song lyrics are included with many of the arrangements in the collection. From popular American patriotic songs and spirituals to Gilbert and Sullivan, Let Us Have Music For Piano is sure to have songs that will make you want to sing along.
