□

"World Beat," in the title of this ensemble, scored for six players, refers to an eclectic form of contemporary music in which many diverse ethnic styles of music are combined. "Sonata," refers to a three-part design(ABA) in which the B section is a free development of the A section. Th is is an up-tempo work that pairs an African slit drum, talking drum andrattles with Western instruments such as triangle, woodblocks, cymbal, timpano and flexitone and makes use as well of "found" urban instrumentssuch as tin can, saw blade, metal crusher and metal mixing bowls. This is a unique work that builds on numerous ostinato patterns, fun to play and easy listening for audiences. adv. high school/college.
