The many adventures of Pinocchio, written by Carlo Collodi, have become a classic in children's literature of the 19th century. Known and loved around the world, this story has been adapted in many different ways. Ferrer Ferran sets the adventures of this lovable, wooden puppet in an exciting, passionate, sweet and fascinating symphonic suite. Pinocchio consists of four contrasting movements: Pinocchio, Mister Gepetto and the Talking Cricket, The Fairy with the Turquoise Hair, The Field of Miracles and The Land of Toys/The Terrible Dog\_x005F\_x001F\_sh/Pinocchio Becomes a Little Boy. This suite will be loved by young and old alike.
