

[1, 2, 3, Play! 2.0 - Violin
Teacher Score and Parts with
CD](#)

\$69.00
incl. %s GST

[]

This collection includes fifteen works in varying styles, keys, moods, and meters, from easy to intermediate level.

One, two, or three players may join either a teacher accompaniment part or piano accompaniment part.

Piano accompaniments and full performances are found on the CD included with the teacher score.

Supplemental parts are also available, so you may use flexible scoring (any combination of violin, viola, and cello) and mix and match each ensemble to fit your needs.
