

## [Building Bass Drum Technique](#)

[]

**\$33.95**  
**incl. %s GST**

This book from Modern Drummer founder Ron Spagnardi will help drummers using a traditional single bass set-up attain the most effective and efficient results from their playing. In a simple and methodical manner, it presents bass drum development exercises using 8th notes, triplets, two common 16th-note figures, straight 16th notes, 16th-note triplets, and 32nd notes. The last section of the book presents five challenging solos using combinations of the previously studied material.
