The famous Recorder course for 7-11 year olds.

John Pitts' classic three-part introduction to the Recorder is now available in one handy volume! Your child doesn't need to be able to read music or play a note! Just follow the simple instructions!

Recorder From The Beginning covers:

- Holding the Recorder
- Beginning to play
- Developing skills & techniques

Designed for solo playing or with live accompaniment on Piano, Guitar or using separately available audio. A great introduction to music!
