□

Mike Steinel's follow up book to his popular "Essential Elements for Jazz Ensemble" features a wealth of instructional material that can be used in a full band setting or individually. After a brief review of style basics, this comprehensive method includes a section of daily drills, warm-ups and workouts for rehearsal, followed by a variety of lessons covering specific styles or improvisation concepts. Each lesson ends with a full band performance piece. Take your students to the next level with this masterful approach! Full audio is available online.

- Review of important concepts from Book 1
- Start your rehearsal right with any combination of workouts and warm-up exercises
- Lessons cover a variety of jazz styles and improvisation concepts
- Nine rewarding full band pieces for performance that reinforce each lesson
- Learn about the cities, regions, and people influencing the evolution of jazz
- Every exercise is recorded, including full band arrangements and sample solos\*

\* Each book includes access code for audio files on "My Library" (internet required)
