Manhasset Stands is pleased to announce the introduction of the M2019 Clear Shield to its line of polycarbonate stand products, which includes; the M2000 Acoustic Shield, the M4701 Clear Desk Symphony Stand and the M2050 Clear Conductor stand. The new Clear Shield is in high demand to provide a barrier for schools, orchestra, choirs and many other uses.

Important features of the M2019 Clear Shield include:
• The large 24" x 24" (61cm x 61cm) polycarbonate Clear Shield provides a protective barrier.
• Features the Manhasset Symphony Base for maximum stability.
• Features the Manhasset Symphony Shaft with Magic Finger Clutch to allow easy adjustment to the Clear Shield's height without having to secure a knob.
• Attachment to the Shield's base plate is quick and easy.
• The M2019 Clear Shields are Made in the USA!
• The Clear Shields are included in Manhasset Stands Lifetime Warranty program.
