

[PERCUSSION TRAP TABLE](#)

[]

\$310.00
incl. %s GST

This large 14" x 18" table is carpet padded to aid with the quiet handling of percussion instruments and has three raised edges so your percussion instruments won't roll off of the table. There are two models - Model 2250 has the Manhasset Voyager base for excellent portability while model Model 2200 has the famous Manhasset standard base. Both enjoy the Manhasset Magic Finger Clutch shaft for easy height adjustment, are all-aluminum, stable and lightweight, and are powder coated with a glare-free black textured finish to resist scratches and chipping. Made in the U.S.A. Lifetime Warranty.
