[]

Winner of the Best Education Publication, Music Industries Association, 2008 this collection of fourteen fun and characterful ensembles for beginner strings (Joggers level) have flexible scoring, from two parts to a massed string ensemble, and are published as a teacher's pack/piano accompaniment and separate parts for the strings. This is the Viola Part with an included CD containing full performances and backings. These pieces can also be played as solos or duets with the piano part or CD backing.
